Re: *Ikida Searcy v. Battery Park City Authority*, Case No. 21-cv-3725

Dear Judge Clarke:

This firm represents Defendant Battery Park City Authority in the above-referenced matter. We write, with consent of counsel for Plaintiff, to request that the deadline for commencing the summary judgment motion process is held in abeyance while the Parties continue settlement discussion. This is the first request for an extension of the deadline to commence the summary judgment motion process.

Currently, the deadline for the parties to commence the summary judgment motion process is December 15, 2023. However, the parties have engaged in good-faith settlement discussions and have a settlement conference scheduled for January 23, 2024 before Magistrate Judge Valerie Figueredo. Accordingly, in light of the parties' upcoming settlement conference, Defendant is requesting, upon consent, that the time to commence the summary judgment motion process is held in abeyance until a date after the January 23, 2024 settlement conference.

We thank the Court for its consideration of this request.

Respectfully submitted,

LITTLER MENDELSON, P.C.
